

Good evening Chairman Estacio and members of the Board. I am Dawn Bonsu, Human Resources Division Manager, and I am presenting tonight the Human Resources Report to provide the Board with an accurate update as to the status of the agency's current vacancies.

- **RECRUITMENT**

Human Resources recently submitted all open recruitments for publication through the Modesto Bee (both print and online). In doing so, the Modesto Bee will also advertise the Authority's open recruitments through Indeed, LinkedIn, and Glassdoor.com. Human Resources has seen a subtle spike in the number of applications coming in as of November 3, 2020.

Human Resources is moving forward with testing and oral panel interviews for the Purchasing Specialist, Eligibility Specialist, Maintenance Worker I/II, and Accountant positions. The Authority is hopeful we will have an opportunity to fill vacant positions with successful candidates who share the vision the Authority has for the future.
