

- **Bunkhouse Grand-Opening Video**

- Video footage of the Grischott Bunkhouse and interviews will be taken in the month of November and a grand opening video will be created similar to the Kansas House Grand-Opening video.

- **Rebranding to Stanislaus Regional Housing Authority**

- The agency is launching a new website with a new domain name in the month of January (Tentative for early January).
- The agency is updating the email domain to match the new web domain and a smooth transition will be configured to allow for all mail to continue to be captured and flow from the existing domain.
- All web traffic will also be redirected including the agency Intranet site which will also take on a new domain name.

- **Phone System Upgrade**

- The new phone system is currently being configured and staff trainings will be scheduled for the month of November.

- **Agency Laptops and Scanners**

- Laptops and scanners are continuing to be configured for staff who are in need of upgrades, all staff will be transitioned to laptops before the opening date of The 1612 location.
