

Good evening Chairman Estacio and members of the Board. I am Dawn Bonsu, Human Resources Division Manager, and I am presenting tonight the Human Resources Report to provide the Board with an accurate update as to the status of the agency's current vacancies, in addition to other Human Resources related matters.

- **RECRUITMENT**

The Authority continues to diligently strive towards filling vacant positions for all departments within the agency. The Authority's Modesto Bee advertisement of all open positions in print and online achieved positive results. Human Resources has been moving forward and has held testing for the Eligibility Specialist I/II, Maintenance Worker I/II, and Accountant positions. The Oral Board Panel interviews for the Purchasing Specialist position went well and the agency expects to have this position filled in the near future.

The Authority is looking forward to having many of our open positions filled within the next thirty (30) days.

- **AB 1234 – ETHICS TRAINING**

Human Resources will be providing information soon to management and members of the Commission as to AB1234 – Ethics Training. Due to the COVID-19 pandemic, this training will be offered virtually. This training is a mandatory training that must be completed every two (2) years.
