

Human Resources has continued communication and advertisement efforts with academic, labor-related institutions and community organizations to augment standard recruitment practice in an effort to expand outreach during this challenging recruitment environment. The commitment and dedication of the Housing Authority’s employees during this time of the Pandemic and the shortage of staffing continues to be a testament to the outstanding workforce culture at Stanislaus Regional Housing Authority.

Current Extended Conditional Offers of Employment:

Three (3) Candidates: Maintenance Worker I/II

One (1) Candidate: Accountant

Upcoming Job Fair:

Human Resources attended the Ceres Adult Education Job Fair on May 19, 2022, hosted by Ceres Unified School District Adult Education. It was a very well-organized event.

Below is a list of Stanislaus Regional Housing Authority’s current vacancies:

Accountant	Area Maintenance Worker
Eligibility Specialist I/II	HQS Inspector
Part-Time Maintenance Worker Palm Valley	Maintenance Worker I/II
Office Assistant	Senior General Ledger Clerk

The Human Resource Department continues to process employment applications as they are received. Screening, testing and interviews are conducted continuously.

Benefits Fair:

Human Resources is currently preparing for Stanislaus Regional Housing Authority’s Annual Employee Benefits Fair, which is anticipated to take place in the Summer of 2022.

Training:

Human Resources is in the process of ensuring all agency staff members have completed the required Annual Fair Housing Training. It is anticipated that all agency staff will have completed the training within the next thirty (30) days. In addition, Human Resources is gathering information on AB1234 Ethics Training options and will be scheduling training for applicable staff members and members of the Board as soon as reasonably possible.

With the retirement of long-time employee Scott Greensfelder, who was primarily responsible for the day-to-day operations of the Westley Water and Wastewater systems, specific Maintenance staff members are in the process of preparing for the Water/Wastewater Certification testing. The Housing Authority would like to congratulate Site Maintenance Supervisor, Jason Smith, the first of these staff members, for achieving a passing score on the Water Treatment Certification (T1) Examination and the Water Distribution Certification (D1) Examination.
