

Human Resources is continuing communication and advertisement with academic, labor-related institutions and organizations to augment standard recruitment practice. The continued commitment and dedication of agency staff during the COVID-19 pandemic continues to be recognized and is a testament to the outstanding workforce culture at Stanislaus Regional Housing Authority.

Current Extended Conditional Offers of Employment:

Two (2) Maintenance Worker I/II Candidates

One (1) Eligibility Specialist Candidate

Upcoming Job Fair:

Human Resources will be attending the EDD Job Fair scheduled for July 12, 2022 at the Ceres Community Center, Ceres, CA. The agency is looking forward to showcasing its vacancies in hopes of recruiting qualified candidates.

Below is a list of Stanislaus Regional Housing Authority's current vacancies:

Accountant	Area Maintenance Worker
Eligibility Specialist I/II	HQS Inspector
Maintenance Worker I/II	Part-Time Maintenance Worker
Office Assistant	Senior General Ledger Clerk

As employment applications are received, screening, testing, and interviews are conducted continuously. In the meantime, temporary assistance is being explored to assist departments experiencing a staffing shortage.

Training:

Stanislaus Regional Housing Authority staff have completed the required Fair Housing Training. Continued training opportunities continue to be afforded to staff, in addition to the available training on the HTVN platform. In addition, specific Maintenance staff continue to work towards completing the Water Treatment (T1) Certification and the Water Distribution (D1) Certification.
