
Human Resources is continuing communication and advertisement with academic, labor-related institutions and organizations to augment standard recruitment practice. The continued commitment and dedication of agency staff during the COVID-19 pandemic continues to be recognized and is a testament to the outstanding workforce culture at Stanislaus Regional Housing Authority.

As employment applications are received, screening, testing, and interviews are conducted continuously. In the meantime, temporary assistance is being explored to assist departments experiencing a staffing shortage. There are two (2) Maintenance Worker I/II Candidates, two (2) Office Assistants, one (1) Part Time Maintenance Worker, and one (1) Eligibility Specialist Candidate that have recently been extended Conditional Offers of Employment.

Human Resources will be attending the California State University, Stanislaus Job Fair scheduled for September 28, 2022, at the Turlock campus. The agency is looking forward to showcasing its vacancies in hopes of recruiting qualified candidates.

Below is a list of Stanislaus Regional Housing Authority's current remaining vacancies (presuming the candidates who have been extended Conditional Offers of Employment successfully pass the required pre-employment physical and background check):

Accountant (1)	Area Maintenance Worker (3)
Eligibility Specialist I/II (1)	Inspector (1)
Maintenance Worker I/II (1)	Senior General Ledger Clerk (1)
Occupancy Clerk (2)	

Stanislaus Regional Housing Authority Maintenance staff have recently completed Aerial Lift Training, and additional training opportunities will continue to be afforded to staff, in addition to the available training on the HTVN platform. Specific Maintenance staff are in the process of scheduling their test for the Water Treatment (T1) Certification and the Water Distribution (D1) Certification.
