

Human Resources continues actively communicating and advertising Agency vacancies with various academic and labor-related institutions as well as various organizations within the community in order to augment standard recruitment practices. Agency staff continues to stay committed and dedicated during the COVID-19 pandemic and each staff member’s resolve during this period of time is a testament to the outstanding workforce culture at the Stanislaus Regional Housing Authority.

Human Resources continues to receive employment applications and processes those candidates who meet the minimum qualifications for the position in which they are applying for. Successful applicants are guided through the recruitment process consisting of testing and oral panel interviews and ultimately the final interviews. Stanislaus Regional Housing Authority has retained temporary assistance for departments that have been experiencing a staffing shortage. A temporary employee from the Robert Half agency has been retained for the performance of duties equal to that of an Accountant for the Finance Department. In addition, the agency partnered with Stanislaus County Workforce Development and in participation with their paid internship program, the agency has been able to retain the temporary services of an individual through Workforce Development to assist in the Finance department as well.

Currently, Human Resources has extended Conditional Offers of Employment to two (2) Maintenance Worker I/II candidates.

Human Resources would like to congratulate staff who have accepted promotional opportunities, and welcome the following new employees to the agency:

Promotions

Nirmala Kumar, formerly Eligibility Specialist, as of October 1, 2022 – Compliance Manager.
