## **Eligibility Specialist and Occupancy Specialist Rent Calculation Training**

Human Resources arranged for Eligibility Specialist and Occupancy Specialist Rent Calculation to have a 3-day training supplied by Nan McKay. The last day of the training concluded with a certification examination as well. Stanislaus Regional Housing Authority had the opportunity to extend an invitation to our neighboring agencies, Merced Housing Authority and Madera Housing Authority, in which we had approximately 6 total individuals from those respective agencies partake in this training. This was a great example of the benefits of the agency's consortia.

## **Customer Service Training**

Human Resources is in the process of finalizing the arrangements for Customer Service training for all staff, scheduled to take place at the beginning of July 2024. This training will be facilitated by NAHRO and take place at 1612 Sisk Road. The agency has decided to hold the Customer Service training on two separate days so that all staff may be able to attend.
